IDAHO CONSTITUTIONAL AMENDMENTS

S.J.R. 101

"Shall Section 10, Article IX, of the Constitution of the State of Idaho be amended to permit the Board of Regents of the University of Idaho to impose rates of tuition and fees on all students enrolled in the University of Idaho as authorized by law?"

YES

NO

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE S.J.R. 101

Proposed Amendment to the Constitution of the State of Idaho: Section 10, Article IX.

Meaning, Purpose and Result to be Accomplished:

This proposed amendment will clarify that the Board of Regents of the University of Idaho may charge students tuition, as authorized by law. Currently, the University of Idaho charges student fees to undergraduate students, but not tuition. Student fees cannot be used to pay for classroom instruction. All of the other state-supported colleges and universities in Idaho have the authority to charge tuition, and this amendment specifies that the University of Idaho will have the same authority.

H.J.R. 4

"Shall Section 3C, Article VIII, of the Constitution of the State of Idaho be amended to authorize public hospitals, ancillary to their operations and in furtherance of health care needs in their service areas, to incur indebtedness or liability to purchase, contract, lease or construct or otherwise acquire facilities, equipment, technology and real property for health care operations, provided that no ad valorem tax revenues shall be used for such activities?"

YES

NO

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE H.J.R. 4

Proposed Amendment to the Constitution of the State of Idaho: Section 3C, Article VIII.

Meaning, Purpose and Result to be Accomplished:

This proposed amendment will allow public hospitals to acquire facilities, equipment, technology and real property through a variety of means that aid the public hospital operations, as long as the acquisitions are paid for solely from charges, rents or payments derived from the existing or financed facilities and are not funded by property taxes. Under current Idaho constitutional provisions, public hospitals, as subdivisions of the state of Idaho, have limited ability to incur debt without the approval of a two-thirds vote at an election held for that purpose. This proposed amendment will provide a limited alternative to that two-thirds vote requirement. The use of tax dollars to finance these kinds of investments is prohibited.
