**DEPARTMENT K –
OPEN CLASS LIVESTOCK**

Exhibitors are requested to get familiar with rules and regulations of the fair in classes and departments applicable to their exhibits. Also, the General rules and regulations of the fair.

1. Exhibitors shall not attach evidence of previous awards to any article or animal. The only ribbons that may be displayed are those won at this year's Fair.
2. Exhibitors must, in all cases, be the bona fide owners of animals exhibited. A transfer of ownership for the purpose of exhibiting will disbar any animals from receiving premiums.
3. Exhibitors of livestock must learn from the Superintendent the hours of judging, parade and the time to be ready.
4. Exhibitors must make entries with the distinct understanding that stock must be brought to the show ring for awards, for stock judging and parades at the request of the Superintendent.
5. All exhibitors and their helpers are required to carry the registration certificates for each animal into the show arena.
6. Disrespect shown to any award or to any judge by an exhibitor forfeits all awards made to him.
7. The management requires that all exhibitors of livestock comply with the health regulations set forth in the special rules of each Department.
8. Every exhibitor of livestock is expected to keep his pens and stalls clean and sanitary. Stalls and pens must be cleaned by 8:00 am each day and refuse disposed of as the Superintendent may direct.
9. An additional fee will be charged for late entries.
10. The Fair Board reserves the right to order removed from the grounds any untrained, unmanageable or uncared for animals which endanger public safety, health or property.
11. Animals exhibited or brought to the fairgrounds must be disease free and drug free. Acceptance of all animals is subject to veterinarian's approval. Any deviation from this must be under the direction of a veterinarian. All out of State horses must have coggins test (within 6 mos.) and health certificate (within 30 days).
12. There will be no cash premiums paid where there is no competition. Competition is defined as a contest for supremacy between two or more animals, products, or articles owned by separate exhibitors. Two exhibits entered by the same person or household does not constitute competition. No awards will be made for Champions or Grand Champions where there is no competition. When a community interest in the ownership of animals or articles is apparent in the judgment of the Board,

competition will be considered not to exist, although the actual ownership might be separate.

13. **CONDITIONS OF COMPETITION:** If two or more exhibitors are not competing in any breed, second money will be given first, and third money as a second prize, or as Judge may award.
14. Exhibitors may make as many entries in each class as desired, except as specified in the special rules of each department, but no exhibitor will be allowed more than two premiums in any class.
15. No animal may compete in more than one class or division, nor for more than one premium, except as one of a pair, group, or championships, or except as otherwise specified in special rules of departments.
16. Awards will be made according to the merits of exhibits. Judges are not required to award three placings in any division or class.
17. Owners of livestock are responsible for the care of their animals. Entries should be made according to the schedule for each fair.
18. Animals entered in 4-H and FFA are eligible to enter the open class if they meet open class requirements. 4-H and FFA must pay open class entry fees and be responsible for entry.
19. The same identical animal may NOT be shown by a different exhibitor as a 4-H project and/or as an FFA project.
20. Exhibitors may make as many entries in each class as desired, but no exhibitor will be allowed more than 2 premiums in any one class.
