GIS Data Request

Per [Idaho Code 31-875](#), Bannock County may collect fees for GIS Data Requests, as approved by the Board of County Commissioners on May 1, 2018 per County Resolution 2018-51. Updated on September 29, 2020 per County Resolution 2020-97.

Bannock County's Geographic Information Systems (GIS) database was developed for internal use, in support of County department functions and for the County's general planning purposes.

These digital products are released subject to the following considerations and limitations:

- These products are for informational purposes only, and may not have been prepared, or be suitable for legal, engineering, or survey purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information.
- Care was taken in the creation of Bannock County's GIS data, and most are reviewed and updated on a regular basis; however, errors may exist in the data. The County cannot accept any responsibility for errors, omissions, or positional accuracy in the digital data. There are no warranties expressed or implied for this product. Field verification is recommended.

Please note however, that notification of errors is appreciated and we will attempt to resolve those issues as they are determined to be necessary.
