<td>Do you approve or disapprove of the State of Idaho using the record budget surplus to refund $500 million back to hardworking Idaho taxpayers, cut ongoing income taxes by more than $150 million, and put more money in our classrooms by increasing education and student funding by a record $410 million? Your approval of this effort would combat historic inflation by returning money to the taxpayers, creating a simple flat tax, and making the single largest investment in public education in Idaho history.</td>
