

# BANNOCK COUNTY

## 2023 Summer Maintenance Schedule

Published July 18, 2023

Bannock County Road & Bridge Department will be starting our Chip Seal and Paving Projects for the summer of 2023.

Please know that dates and road miles are subject to change and could be rescheduled at any time. Bannock County Road & Bridge asks that the public be aware of temporary road delays while crews are out working. The public is also encouraged to use alternate routes if and when possible. Paying attention to warning signs, lights, and flagger instructions can help road crews complete work in a safe and timely manner.

For questions or concerns, please call the Public Works office at 208-233-9591 during regular business hours, Monday-Thursday, 6 a.m. to 4:30 p.m., or email us at [roads@bannockcounty.gov](mailto:roads@bannockcounty.gov). Questions and feedback can also be submitted on our website, [bannockcounty.us/public-works/](http://bannockcounty.us/public-works/).
