PUBLIC HEARING NOTICE – PROPOSED NEW FEES

NOTICE IS HEREBY GIVEN THAT THE BANNOCK COUNTY BOARD OF COMMISSIONERS will conduct a public hearing on Thursday, February 20, 2025 at 11:15 a.m. in the Bannock County Courthouse, Room 212, Pocatello, Idaho.

TOPIC OF THE MEETING IS to discuss proposed new fees. These new fees are being proposed as a way to cover the costs departments are incurring when providing services. By charging the individuals utilizing the services as opposed to increasing tax revenues, it allows costs to be recovered by those receiving the service and may also supplement tax revenues in whole or in part for some departments.

Planning and Development:

| | |
|--|-------|
| Agricultural Protection Area Designation | \$945 |
| Reconsideration of Commissioners’ Decision (no appeal filed) | \$150 |

Oral and/or written comments concerning this issue will be taken at the public hearing. Written comments may be submitted to the Commissioners’ office or emailed to commission@bannockcounty.us prior to the meeting.

If any person requires special assistance or accommodation to participate in this hearing, please call (208) 236-7210 to make necessary arrangements prior to the public hearing.

Concern/Issue/Question:

Would like to discuss some older radios from the Ambulance District and get direction from the Commission on if they can be re-distributed.

Suggested Solution:

Normally, if we get surplus radios from non-County agencies, they are up for re-deployment without cost. However, the radios in question were paid for by the Ambulance District and I would like to get the Commission/Board of Ambulance input on redeployment.
