Proposed Assessor Projects

Daniel Kendall- Project Manager

***Disclaimer-** Tiffany Olsen asked me to compile a "ballpark estimate" for these projects due to time constraints. I prefer to estimate on the high side to avoid any budget issues in the future. Final design on countertops and cabinets are not complete therefore estimates will change. Upon the Commissioners request I will continue working on these estimates.*

Estimate 1- Total \$80,000

Install new LED Panel lights throughout
Install new duct system to balance the HVAC System and reduce fan noise
Install a new acoustic ceiling 2x2 tiles throughout

Estimate 2- Total \$1000

Replace ductwork in 2 offices to reduce noise

Estimate 3- Total \$3000

Remove and re-install floor outlets to eliminate trip hazard
Add outlets where needed to eliminate extension cords

Estimate 4- Total \$15,000

Remove existing assessor reception counter
Install Express "L" Shaped Counter with desk and cabinets
Install gate
Install 9' Counter with desk and cabinets
Patch flooring

Estimate 5- Total \$ ESTIMATE NOT COMPLETE

Install 6' tall glass wall panels (60' long) to reduce noise

Estimate 6- Total \$ ESTIMATE NOT COMPLETE

Glass separation/security panels at DMV Counter

Estimate 7- \$2500

Laminate signature counter and supports for DMV Counter

Estimate 8- \$2500

Install Kiosk counter in DMV vestibule
Includes electrical, data, cabinet, countertop, etc.

Estimate 9- \$3000

Install "L" shaped counter/cabinets behind DMV
Includes cabinets, countertop, etc.

Estimate 10- \$1000

Purchase and install of new signage for work stations

Estimate 11- \$1000

New paint throughout

Estimate 12- \$18,000

Raise the DMV Counter 4"
New drawer stacks
New laminate countertops
Move floor outlets
Workstation countertop space expanded
Keyboard trays as needed

Estimate 13- \$7500

Bench (100') for public seating throughout

Estimate 14- \$300

Repair entrance door
