Bannock County Operations Response to COVID-19

Effective tomorrow, Bannock County offices will be open in a limited capacity. Bannock County operations with the exception of the Sheriff's Office, the Landfill, and the Clerk and Recorder's Office, will close for business on March 20, 2020 to clean and sanitize the buildings. Offices will open again on March 23, 2020 and will remain open for business but in a limited capacity.

Citizens are strongly encouraged to utilize the county website https://www.bannockcounty.us/contact_us/ or the directory posted at the Bannock County Courthouse. This web address provides phone numbers or email addresses for each department. If the issue cannot be resolved, citizens may access public offices by first contacting the specific office and scheduling an appointment.

The County Commissioners are dedicated to maintaining regular business in the safest manner possible. County Commissioners' regularly scheduled business meetings held on Tuesdays at 9:00 a.m. and Friday's review and approval of claims, invoices, and Commission Reports at 9:00 a.m. will proceed as scheduled. All other meetings will be reviewed and scheduled in accordance with Idaho Code §§ 74-201 through 74-208. Due to President Trump's "15 Days to Slow the Spread" recommendation of limiting the number of people (10) physically present at one time, options to view the meeting live will be provided online at www.bannockcounty.us.

Bannock County Officials encourage all citizens to practice healthy self-care as outlined by President Trump's "15 Days to Slow the Spread" and the recommendations of the Center for Disease Control.
