PROPOSAL SUBMISSION RULES

Specifications contained herein are numbered and each specification contains a box with brackets to permit the bidder to indicate a "yes" or "no" compliance reply. A yes answer is to mean that equipment offered conforms to or exceeds the specification as written. A no answer is to mean that equipment offered differs from or is less than the specification as written. A yes or no reply in the box is mandatory. Bidders are accordingly advised that all pages of the specifications, with required answers indicated, must be returned with the submitted bid proposal.

SUPPORT OF EQUAL OR SUPERIOR, BUT DIFFERENT, EQUIPMENT

To properly present his equipment when "no" replies are generated, a bidder or manufacturer is advised to follow the procedure described below.

1. Carefully read each specification and mark the appropriate "yes" or "no" reply with an X inside the proper brackets. The X entry must be made in ink or typewritten.
2. For each "no" reply, show the box number, the title of the specification and then explain how the equipment being offered differs. Replies must be made on sheet with title, **"EXCEPTIONS TO BID CONDITIONS & SPECIFICATIONS"**.

Bidders must submit with their bid the latest printed specifications and advertising literature on the units they propose to furnish.

The price or prices quoted shall include all transportation charges fully pre-paid to Bannock County.

Bidder shall supply one (1) parts book, one (1) service and repair manual (CD format preferred on parts and service), one (1) operator's manual , one (1) hydrostatics repair manual, one (1) engine repair manual.

Upon award of bid Bannock County Public Works must have complete assurance of vendor against failure or inability to deliver.

Penalty for not making delivery in the time stated: The bidder is to state on bid sheet the number of days or date of delivery. If delivery is not made in accordance with stated time, it is understood and agreed that the company will pay Bannock County Public Works one hundred dollars (\$ 100.00) per calendar day beyond the stated delivery time until the vehicle is delivered.
