Gordy,

Per your email today, we can provide, on a very quick turn around as well.

Labor wise this will go over your POE network as you confirmed and the wire is in place. We can wire at additional cost if needed.

We will include on-site and remote programming of your system and each phone set for these 8 sets, as well as unlimited on-site user training as requested, along with 8 licenses and 8 new 9608 sets from Avaya authorized distributors, for a total of \$ 3595.00.

Please advise.
