Future Land Use Plan

Source: Bannock County, Idaho Transportation Department, Idaho Department of Water Resources, U.S. Census Clarion Associates
Date: June 2008

*Note: This is a higher-resolution reproduction of the officially adopted map; it has been reproduced by Bannock County to enhance readability. This map is NOT the official record and contains minor differences from the original. Although boundaries between land uses are more clearly defined on this map, the boundaries shown on the officially adopted map prevail when making interpretations of the Comprehensive Plan.
